## Carmel Police Department

Three Civic Square

Carmel, IN 46032

The Carmel Police Department is proud to present a program that provides insight to the public on the operations of our department. This program will be eleven weeks. The instructors are all members of the Carmel Police Department, and they will provide instruction and information concerning a particular area of their profession. This is NOT a police officer candidate school, but a means by which the department can allow the citizens of Carmel to see first hand how the department operates.

Class size will be limited to 16 people, so we ask that only those truly interested in making a commitment to the class apply. Eight classes must be attended to successfully pass the Citizens Police Academy. A background check will be conducted on all applicants, and those with criminal backgrounds may not be accepted into this program. This will not be an open forum to discuss previous law enforcement contacts or grievances, but an opportunity for applicants to learn about the department and for the department to learn about the concerns of the applicants. All applicants must be at least 18 years of age.

The next class is scheduled for Monday evenings at 6:30 PM for 2 to 2 ½ hours at Police Headquarters, beginning Monday February 23, 2009. Classes will be filled on a first come first serve basis.
